

AOB - Add-On Block combo

Catalogue numbers:

BD163T - 30mA

BE163T - 100mA

BF163T - 300mA

Specifications:

Regulatory

- Complies with AS/NZS 61008.1

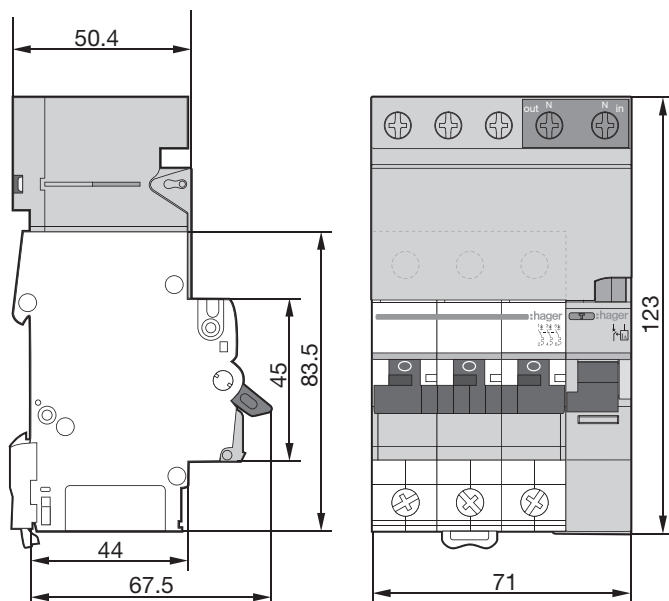

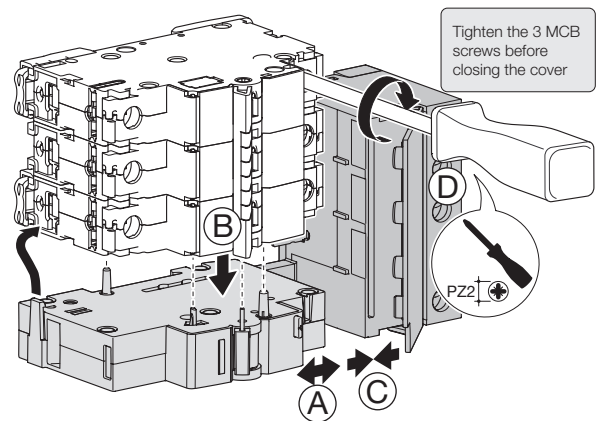

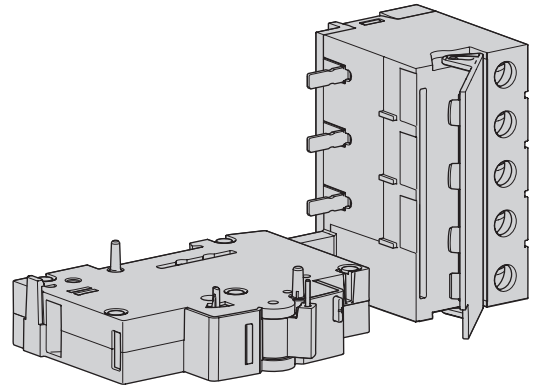

Electrical

- Suitable Add-On for commercial 3 pole MCB's up to 63A (NT & NDN series)
- Voltage rating - 415V AC
- Type A

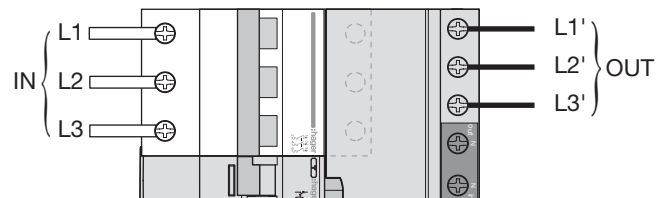

Mechanical

- Mechanical life: 4,000 operations
- Connection capacity:
Rigid conductor - 25mm² max.
Flexible conductor - 16mm² max.

Electrical connection

3Ph for balanced loads

3Ph+N for unbalanced loads
